Mr Francis Pym, M.P.,
Secretary of State for Foreign and Commonwealth Affairs
London SW1

Dear Foreign Secretary,

The outspoken manner in which you and the Prime Minister have condemned Israel for its invasion of Lebanon has left a deep impression on the minds of the Muslims in Europe. This principled stand taken by Britain is admirable and I should like to thank you sincerely, both personally and on behalf of the Islamic Council of Europe.

With kindest regards,

Yours sincerely,

Salem Azzam
Secretary General
